

Language assistant program in Valencia- Spain

The language and culture assistant program is an initiative of the Spanish Ministry of Education. The program is primarily aimed at foreign students with a Bachelor's Degree or in their last year of studies, interested in Spanish language and culture or teachers who want to retrain in Spanish.

Students will spend a semester, January to June of 2018, in Spain. All the positions are in Comunidad de Valencia, in elementary education schools.

Its main objective is to provide foreign students (with a native English speaking ability) with the opportunity to teach English in Spain in primary schools (16 hours a week). This program also allows Spanish students the opportunity to get to know a different culture by interacting with English native speakers.

The language assistants receive a monthly stipend to cover accommodation expenses, (€ 1,000 monthly), and an orientation course on arrival. Candidates will need their European Health Card for health insurance purposes. Transportation expenses are not provided. Candidates must possess a university degree or be in their final year in college at the end of the current academic year, in an education/linguistics related field and have a bilingual proficiency in English.
